What is the maximum working voltage of an AC contactor?

Usually the maximum working voltage is the rated voltage, such as 220-230V, 230-240V, 380-400V and 400-415V. The rated current of the AC contactor refers to the rated current value of the main contact of the AC contactor.

What is the rated voltage of an AC contactor?

The AC contactor generally has several rated voltage values, and the corresponding rated current or control power will be listed in the technical specification at the same time. Usually the maximum working voltage is the rated voltage, such as 220-230V, 230-240V, 380-400V and 400-415V.

What is AC contactor?

AC contactor is an intermediate control element, which can frequently turn on and off the line, and control large current with small current. Used in conjunction with thermal relays, it can also play a certain role in overload protection of load equipment.

Where is contactor located?

Contactor... Use advanced technology to create high-quality products, and develop innovation with a global vision. No.989, Xinglu Avenue, West Section of Liantong Road, Zhoucun District, Zibo City, Shandong Province. Copyright (C) SHANDONG KAICHUAN POWER EQUIPMENT COMPANY LTD All Rights Reserved. Privacy Policy

What is lc1-d series AC contactor?

Product Description Product Description LC1-D series AC Contactor is suitable for using in the circuits up to the rated voltage 660VAC 50Hz or 60Hz, rated current up to 620A, for ... 1) Yuanda company OEM manufacture special producing all kinds of electrical products have more then 25years. 2) our AC Contactor also approved "UL" "ETL" ...

How many volts can a 3 pole contactor run?

WEG Automation CWM Series Three Pole Contactor to 250A (AC3) or 350A (AC1) for a Power Circuit to be switched by a 110V to 130V AC Control Circuit. - Motor DOL Starter (AC3): 250A for a 132kW motor x 400V. - Inverter or DC Thyristor Drive supply (AC1 - Thermal): 350 for up to 175kW x 400V. Size : 148.4mm Wide x 181mm Deep x 205mm High. IP00.

Buy Schneider Electric Power Contactors online at best prices in India. Explore our wide range of Schneider

Inverter contactor price

Electric Power Contactors with great deals, lowest prices, & free shipping. Shop Now!

Find out all of the information about the ALBRIGHT INTERNATIONAL product: inverter contactor 150 A | SW181. Contact a supplier or the parent company ...

Contactor PricesYour shopping cart is empty!Categories

ADC3 series AC contactor (hereinafter referred to as contactor). Mainly used for AC 50Hz/60Hz, rated working voltage up to 690V, rated working current up to 95A under the category of AC-3, ...

Amazon : ac contactorEURO CONTROLS Euro Modular Power Contactor ECMC Series - Volts 230 AC - Copper coil heavy duty - Low switching noise - Din mounting compact size - fits in ...

TE Connectivity (TE)'s ECP40B series high-voltage DC contactor is designed for control in high voltage environments like battery energy storage system, solar inverters, and EV charging ...

Category: Wholesale Elevator Electronic Parts, Global Elevator Electronic Component Supplier Tags: 964620H04, KM964619G02, KM964619G23, ...

WEG Automation CWB Series Three Pole Contactor to 12A (AC3) or 25A (AC1) for a Power Circuit to be switched by a 24V DC Control Circuit. Rating:- - ...

Replacing an AC contactor isn't just about finding the cheapest option--it's about avoiding costly downtime, safety risks, and repeat replacements. While prices range from \$20 to \$300+, ...

WEG Automation CWM Series Three Pole Contactor to 250A (AC3) or 350A (AC1) for a Power Circuit to be switched by a 110V to 130V AC Control Circuit. - Motor DOL Starter (AC3): 250A ...

Wondering about inverter AC contactor prices? This article breaks down costs, factors affecting pricing, and tips to optimize your HVAC system's performance. Whether you're a homeowner, ...

While prices range from \$20 to \$300+, understanding why costs vary helps you invest wisely. In this guide, we'll decode AC contactor pricing, share how CNC's industrial-grade units saved a ...

Buy vacuum contactor, inverter on exporthub from shanghai zhiyuan vacuum electric appliance co., ltd. the professional vacuum contactors, lighting contactor manufacturer and supplier.

PV Powered PVP35kW inverter for commercial solar systems and sub-systems. Knowledgeable sales and design staff provide PV Powered reviews and low prices.

SHANDONG KAICHUAN POWER EQUIPMENT COMPANY LTD: We're professional breaker, contactor, inverter, soft starter, distribution box ...
