Who is the world's third largest inverter manufacturer?

Ginlong (Solis) Technologies has been ranked the world's third largest inverter manufacturer for the second consecutive year by S&P Global. Solis currently boasts an annual production capacity of 40 GW, which is scheduled to double to 80 GW in July 2023.

Who makes ginlong solar inverter?

Establishment 800+ R&D Team 80GW+ Manufacturing Capacity Established in 2005, Ginlong (Solis) (Stock Code: 300763.SZ) stand as the world's third-largest PV inverter manufacturer. As a global provider of solar and energy storage solutions catering to residential, commercial, and utility-scale customers,

Who is Solis solar inverter?

As the world's third-largest PV inverter manufacturer. As a global provider of solar and energy storage solutions catering to residential, commercial, and utility-scale customers, we deliver value across the solar supply chain. Operating under the Solis brand, our solar inverter products

Which PV inverter vendors shipments grew the most in 2022?

The top five vendors - Huawei, Sungrow, Ginlong Solis, Growatt, and GoodWe - shipped more than 200 GWac and accounted for 71% of total global PV inverter shipments in 2022, growing 8% from 2021. Huawei's shipments saw a significant increase of 83% in 2022 compared to 2021, while Sungrow's shipments expanded 56% in the same period.

What is the global demand for PV inverters in 2022?

The global PV demand of 201 gigawatt alternating current (GWac) in 2022 contributed to 48% growth year-over-year for PV inverters. In terms of inverter shipments, strong growth in Europe, Asia Pacific, and the United States where government support bolstered to meet clean energy goals led to a total of 333 GWac of global shipments in 2022.

What makes ginlong a great inverter company?

Validated through rigorous international certifications. By amalgamating a global supply chain with world-class R&D and manufacturing capabilities, Ginlong tailors Solis inverters to each regional market, with dedicated teams of

Ginlong (Solis) Technology has been ranked the world's 3rd largest inverter manufacturer for the second

The world's third largest photovoltaic inverter

consecutive year. JGinlong (Solis) Technology ...

According to the S&P Global report, Growatt has become the world's fourth largest photovoltaic and energy storage inverter supplier in ...
